D. & C. Hardy Plant Nursery

WESTMINSTER, MARYLAND

Phone Westminster 369-M

Member Maryland Nurserymen Association

This list does not cover everything we grow but only such stock as we have a fair supply of to offer. Correspondence is invited regarding other kinds not listed.

Quality:

We grow only the choice varieties of perennials and rock plants, eliminating the varieties which are in poor demand, and are actually a liability, however, some varieties we grow just because we get calls for them.

Guarantee:

We guarantee any plant we sell to be true to name and in healthy condition, and will replace or refund the money paid for such items which are proved not to be as represented.

Terms cash, or satisfactory reference must accompany all orders from parties unknown to us. 3% discount for cash with order; 2% 10 days; 30 days net.

Complaints must be made in writing to us within five days after receipt of goods.

One to four plants of one variety at each rate; five at 10 rate; 25 at 100 rate. We do not charge for packing. All prices F. O. B. Westminster.

All orders large or small will be appreciated. Send us list of your wants for quotation.

This list cancels all previous lists, quotations, discounts, etc.

EXPLANATION

Practically all stock offered are one and two year transplanted field grown, except where noted.

Practically all varieties offered in this catalogue except where noted will grow nicely in ordinary well drained and well prepared garden soil, with full sunlight or where they get the sun the best part of the day, morning sun preferred wherever possible.

* Indicates alpines or rock plants, and with the exception of few varieties, can also be used in the border.

‡ Indicates best cutflower varieties.

CHRYSANTHEMUM—Hardy Garden Varieties

‡**New Korean Hybrids**, these new chrysanthemums are hardier, most attractive in color; they are early blooming, easier to grow and more profuse blooming; useful as cutflowers.

Five 1936 Introductions

Aphrodite, single, the color is a soft tint of pink in the opening, changing to ivory-white with the slightest mingling of delicate pink in the fully developed gerbera-like blossoms, flowers are 3 to 3½ in. across, very free flowering, 2 ft. high early October.

Each 25c; \$2.00 per 10; \$18.00 per 100

Indian Summer, large double glowing orange flowers, the unfurled central petals add a luminous golden orange reflection, sturdy erect growth and free flowering, flowers are 3 in. across, 2 to 2½ ft. high, October flowering. Each 30c; \$2.50 per 10; \$22.00 per 100

Romany, fully double flowers, the color is soft-glowing red with bronze tone, illuminated somewhat by the gold petal reverse appearing in the center of the flower, in bloom in early October, height 2½ ft.

Each 30c; \$2.50 per 10; \$22.00 per 100

Saturn, brilliant sparkling orange and bronze, with golden-yellow center, robust branching habit, the single flowers are almost 3 in. across, 2½ to 3 ft. high, early October.....Each 25c; \$2.00 per 10; \$18.00 per 100

Venus, single lilac-pink with rose-lavender shading flowers are 2½ in. across, with three or four rows of petals, starting to bloom in late September, height 2½ ft.....Each 25c; \$2.00 per 10; \$18.00 per 100

Korean Hybrids of Recent Introduction

Hebe, lovely, luminous pink which assumes soft lavender-pink tones as the flower matures. The golden-yellow center affects a lovely combination in the nicely formed single blossoms which average 3 in. or more across, producing masses of fragrant blossoms in almost unbelievable quantities during late September and through October. Height 2 to 2½ ft.

\$1.20 per 10; \$10.00 per 100
